ELEVATE OUTDOORS WITH DOXX SPIKE LIGHT WITH VISOR

Our versatile Spike Light (IP65) is the perfect solution for illuminating gardens and outdoor spaces. Designed for flexibility, it can be easily spiked into the ground for landscape lighting or surface-mounted on walls or pathways for a sleek, modern look. With IP65 waterproof protection, it withstands all weather conditions while its adjustable beam enhances outdoor aesthetics. Ideal for highlighting plants, pathways, or architectural features, this durable light combines functionality with style.
